## CAREER EXPERIENCE

### **Company 3 | Dailies Editor**

**Chicago, IL | June 2021 - Present**

- Ingested the day's footage in the hard drive, notified production on all footaged received, and informed necessary people of discrepancies.
- Standard Dailies duties, such as syncing audio to match each clip, color correcting all footage to suit Director of Photography's vision and direction, and logging every clip in accordance to Script Supervisor's notes.
- Rendered the day's footage, binning all digital files in Avid Media Composer, and promptly delivering them to the editorial team for review.
- Traveled to various shooting locations around the U.S for months at a time, working with a diverse group of people in the industry

### **Selected Projects at Company 3:**

*The Bikeriders (film)* | Company 3 | Dailies Editor | July 2022 - December 2022

*Iron Claw (film)* | Company 3 | Dailies Editor | July 2022 - December 2022

*The Wolf Of Wall Street (film)* | Company 3 | Dailies Editor | June 2022 - December 2022

*Ghosted (film)* | Company 3 | Dailies Editor | March 2022 - April 2022

*The 4400 (television show)* | Company 3 | Dailies Editor | June 2021 - December 2021

### **Mango/New Edit | Dailies Editor**

**Burbank, CA | 2016 - December 2019**

- Synced sound to match each clip, color corrected all footage to suit Director Of Photography's vision, and logged every clip to match name on slate.
- Followed directives of multiple groups to make sure all footage was delivered to the proper requirements
- Created reels into 'Select takes' and 'Non-select takes' and distributed them to editorial team
- Transported harddrive to Data Center where footage was uploaded in a timely manner

### **Selected Projects at Mango/New Edit:**

*Ordinary Joe (Television show)* | Mango/New Edit | Dailies Editor | October - November 2020
